

Penola Primary School

Dress Code and Uniform Policy

RATIONALE

A school uniform/dress code policy is in place at Penola Primary School in an effort to improve student safety, relieve peer pressure and provide economical certainty for parents in the purchase of school approved clothing items. Uniforms play an important role in promoting a positive image of the school and creating a sense of identity among students and the community. It is also a mechanism to support and build school morale, respect and a deeper sense of belonging.
