

Penola Primary School Social Media Policy

The Penola Primary School Facebook page has been developed by the leadership team as an additional channel of information for parents and caregivers in our school community. Items to be advertised on the page include:

- Event information
- Important school alerts (such as “Fire Ban” days etc)
- Reminders to parents about events and activities
- Due date reminders
- Links to resources
- Call for volunteers
- Share things that would normally appear in the newsletter as individual posts
- Share information from other sources that may be of interest to parents
- Publish photos of students involved in learning and school activities that will promote our school in a positive way*

**Please see Appendix 1 – Images on Social Media policy*

The Penola Primary School Facebook Page will be an open page which any member of the community are welcome to “like” and be updated with our school information as it is posted. The Facebook page is not a social networking tool for parents but rather a source of information and as such, it is the policy that all information to be shared on this page is passed on to the Administration staff for posting from the school without exception.

When posting on the Penola Primary School Facebook Page:

- Ensure content is in line with the DECD Social Media Policy & Guidelines
 - <http://www.decd.sa.gov.au/docs/documents/1/decdsocialmediapolicy.pdf>
- Ensure content is accurate and not misleading
- Code of ethics of Public Sector of South Australia is adhered to

Any changes to this policy will need to be ratified by the Governing Council before implementation.
